

## MAGnificent Floor/Table LED Magnifying lamp

D/E25050

The MAGnificent Lamp is ideal for all types of detailed work. The daylight™ LEDs provide high contrast and accurate colour matching, making it easier and less tiring to read, work and see detail clearly. LEDs use very little energy.

### Adjustable Height

This lamp is cleverly designed to be used as both a floor lamp (with 2 different height options) as well as a table lamp.

### Semi- Rimless Lens and bright LEDs

The large, semi-rimless 3D (1.75X) lens allows uninterrupted viewing of close up work. Bright LEDs are ideal for colour matching.

### Flexible Arm

Adjustable arm allows you to direct the light where you need it most. Lighting up and magnifying your work area.
